## ADMISSION PROCESS 2021-2022

The K'sirs admission process is simple and transparent. It works on the belief that a personal interaction between parents / authorized guardians, the prospective student and the schools authorized representatives is of far greater value than any conventional admission test. The process is aimed at giving us an insight into the type of education approach and environment you believe would be appropriate for your child to maximize his/her potential, while giving us a glimpse of the child's strengths and learning needs. It also gives you, as parents / authorized guardians, a first-hand opportunity to obtain an understanding of how our students and faculty engage with each other, our overall offering, curricular and our approach to education.

### **Please note:**

Pre-Primary (S1, S2, S3) placement will be based on interactions with and recommendations by the Teacher and/or Special Educator for that specific grade.

Entrance to grades 1 to 12: Students will go through a short placement test in specific subjects like English and Mathematics, aimed at evaluating grade appropriate academic competence.

Applicants for grade 11 (ISC/AS levels) may be granted admission based on marks obtained in the grade 10 Board Examination. However, the school reserves the right to administer a placement test, depending on the choice of board, marks obtained and subjects opted for.

Admission to grades 10 & 12 are very rare, and will only be considered if the student is already pursuing the course of study (IGCSE, or AS/A levels), and if there is an alignment in subject choices. It is also based on performance in the placement test, previous board exams or external diagnostic assessments.

### **The following are the steps in the admission process:**

#### **Step: 1**

Application Form can be purchased from the school office. Besides the form, the Admission Packet contains the School Brochure, the Admission Process pamphlet. Alternatively one can download the Application form, from the school website, and pay the requisite fee towards the admissions packet at the time of submission of the completed application form.

#### **Step: 2**

Browse the website to learn about the school's philosophy, approach and offering.

#### **Step: 3**

Submit the completed Application forms along with:

- ❖ A copy of the child's / applicant's Birth certificate.
- ❖ Academic records / transcripts for the last 2 years (if applicable)
- ❖ Extra – curricular records or achievement certificates, if any.
- ❖ Transfer Certificate, if any.
- ❖ Copy of visa/ permit (if the student is not a citizen of India)

**Step 4:**

Pre-Primary Stage 1 - grade 8: On commencement of the admission processes, the school will schedule a Conjoining Meet.

**Step 5:**

Completion of Conjoining meet lets you to move on to the next sitting with the grade Teacher/ Head of Section. This is to enable us to understand you better and for you as parents, to have a better understanding of our teaching-learning methodology.

**Step 6:**

Following this you will receive a communication for provisional admission.

**Step 7:**

Payment procedure is to be fulfilled within one week from the date of provisional admission offer. A seat is blocked once the prescribed fee is paid. Failure to do so may result in the seat being offered to another student.

**Out station students:**

For parents and students who are unable to visit K'sirs, a Telephonic interview can be arranged for Step 5.

For grades 9 -12, your child's current school may be requested to administer the placement test before the Parent-Principal meeting. The admission process is completed once the Transfer certificate and Pass certificate or equivalent documents from the previous school are received (where applicable), and the fee has been paid. For International (including NRIs) students a written declaration from the previous school, stating the grade he/she has completed will be required.

**Pre registration:**

You can register your child in advance by completing the Application Form and paying the onetime non-refundable fees. The pre-registration is valid for two years from the day of registration. Admission is granted provisionally till the child is of school-going age and is able to go through the admission process. At the time of actual admission, the difference in the fee will have to be paid.

All fee paid are non-refundable.

**If you have any question about our admission process, please email us at [info@ksirs.in](mailto:info@ksirs.in).**
