

K'SIRS INTERNATIONAL SCHOOL
COIMBATORE

*You were wild once.
Don't let Education tame you.*

Education must enable a child to strive beyond what is taught.

K'sirs' VISION

Sustainable education through

- Responsible freedom
- Exploration
- Understanding for life and living.

K'sirs' MISSION

To facilitate interactive and participatory learning by acknowledging and validating the individuality and the uniqueness of each student.

K'sirs' OBJECTIVES

- Students demonstrate sensitivity towards themselves, others and their environment.
- Students develop holistically.
- Students exhibit academic, sporting and cultural abilities in tune with their individual potential.

K'sirs' HIGHLIGHTS

Our campus fosters a rich international and Indian community of students. At K'sirs you will:

- Be welcomed into our eco-friendly, pressure free schooling.
- Discover new passion and hobbies through your classmates.
- Develop your social skills through our exciting curricular, co-curricular and extra-curricular clubs and activities.
- Establish a close student-teacher relationship.
- Develop entrepreneurial skills through trading activities in K'sirs shoppe.

K'sirs' PRINCIPLES

- We aim at establishing a completely child friendly environment at school.
- Our core idea of schooling is facilitating the learning process rather than teaching.
- We believe that the purpose of education is Learning, Understanding and gaining Knowledge and not just scoring marks.

Overview & History

2008

Year of Establishment

LOCATION

DAYCARE

We provide daycare facility for students after their school hours on all working days.

- At K'sirs, it is our endeavour to discourage students from having unhealthy food by making them aware of its harmful effects on their health. To reinforce this, we provide simple, light and healthy snacks.
- At school canteen we also provide healthy lunch for students at a cost.

MEDICAL INSURANCE

Our students are insured by a policy which covers all expenses incurred during hospitalization due to accidents.
(Coverage: upto Rs. 1,00,000)

STUDENT'S PROGRESS

To ensure a steady development in our students, we conduct Progression Tests and Cumulative Assessments. Progression Tests are carried out regularly throughout the year, both formally and informally. These assessments serve to identify and analyze the learning lapses. Corrective measures are then implemented as per the requirement of the child.

Progression Tests includes continuous monitoring of student's progress using a variety of methods like:

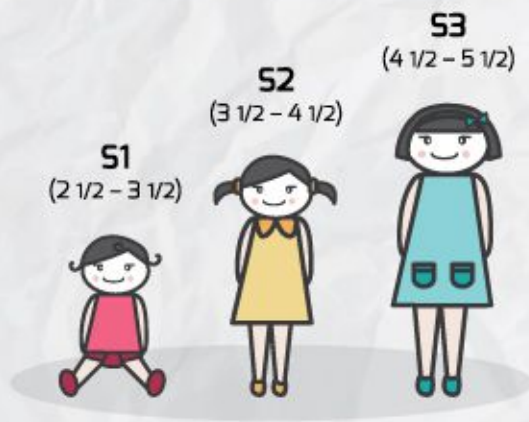

1. Oral Assessments
2. Written Assignments
3. Projects
4. Group Discussions
5. Quizzes etc.

Cumulative Assessments are carried out at the end of the course of learning.

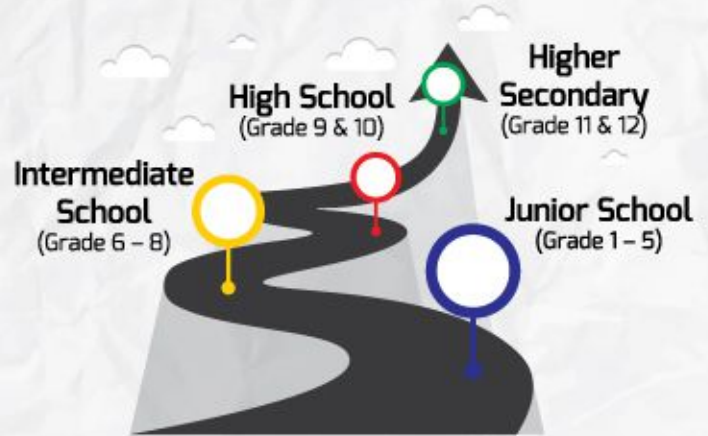

Grades 1 to 5 have no examinations or marks. However the students knowledge, skills and abilities are regularly assessed and recorded. Grades 6 onwards assessment will be in the mode of exams.

JOURNEY OF LEARNING

K'SIRS PRE-PRIMARY

Community Service

K'sirs' main focus is to build a sense of belonging towards others and the environment. Our kids are always exposed to various activities which will make an individual empathetic which is beyond being sympathetic. Students are involved in activities like

1. Orphanage / Old age home visits.
2. Engaging and entertaining special needs children.
3. Educating neighbouring communities on waste management.
4. Educating aided and government school students on etiquettes.
5. Celebrating eco-friendly Vinayaka Chaturthi by making idols using natural clay inlaid with seeds and distributing it to parents and outsiders.
6. Celebrating Green Diwali and campaigning about the need for avoiding crackers.
7. Awareness program through rallies for **World Day Against Child Labour, Car-Free day, World Population Day** etc.
8. Organising blood camps on the Blood Donor Day.
9. Visiting hospitals and thanking doctors for their relentless sacrifice and services.
10. Screening children films at our campus for free.
11. Palm seed distribution to increase its tree count.
12. Practising vermi composting thereby recycling the bio-degradable wastes.
13. Chinnavedampatti Lake restoration.

And a lot more activities will be initiated as per the need of the hour.
